Working through local Church and ecumenical partners in close to **40 countries**, Episcopal Relief & Development impacts the lives of **more than 3 million people** annually.

By connecting Episcopalians in the US with churches and communities around the world, we are supporting local leaders as they respond to disasters and create lasting solutions that fight poverty, hunger and disease.

You can get involved!

Prevent malaria and save lives by supporting Episcopal Relief & Development's award-winning *NetsforLife*[®] malaria prevention partnership. Since 2006, the program has reached 27 million people in sub-Saharan Africa and saved the lives of over 100,000 children.

Strengthen your community against disaster and help vulnerable people make a full and sustained recovery through the US Disaster Program. Download free preparedness planning guides from the Resource Library and sign up to volunteer your skills for disaster response. Visit www.episcopalrelief.org/USDisaster to learn more.

Help heal our hurting world by making a gift to the Global Needs Fund. Your contribution will be directed where it is needed most, ensuring that the life-giving work of Episcopal Relief & Development's local partners can continue helping families live more abundant lives.
