

RESPOND TO SUPER TYPHOON HAIYAN IN THE PHILIPPINES

Photo: CCCAFOD Photo Library (http://www.flickr.com/photos/calphoto/library/10820964065)

Essential infrastructure has been severely damaged, and food, shelter and sanitation are in short supply. Although the death toll does not appear to be as high as original estimates, the location and burial of the dead has been a primary responsibility of first responders.

Our program staff have been in touch with partners and **the Church is mobilizing a response into devastated areas**. Churches will be used as distribution sites for relief supplies, and youth will be assisting with distribution.

This effort will be ongoing and we ask your prayers for the dead, the injured and the displaced. **To support the Philippine relief effort**, please fill out the coupon below and mail it with your check or credit card information. You can also contribute online at www.episcopalrelief.org, or scan the QR code below to donate with your smartphone.

Thank you for your compassion and prayers. **With your help, we are healing a hurting world.**

Following the catastrophic November 8 typhoon that ravaged the central islands in the Philippines, **Episcopal Relief & Development is partnering with the Episcopal Church in the Philippines** to address critical needs and plan for longer term relief and recovery.

Haiyan, which was classified as a super typhoon, made landfall with sustained winds around 150 mph and gusts up to 170 mph. The **storm surge was as high as 13 feet** in some areas and waves made it as far as half a mile inland on the island of Samar.
