

PUT YOUR FAITH INTO ACTION

Please Support Southern California Wildfire Response

High winds and drought conditions combined to accelerate the growth of wildfires that have devastated communities in California. Places of worship, businesses and homes have been heavily damaged. Mass evacuations and widespread power outages have affected hundreds of thousands of people. Episcopal Relief & Development is offering technical support to partners in California who are being affected by the devastating and fast-growing California wildfires.

Supporting the Wildfire Response Fund will help people affected by the impact of wildfires. To make a donation, please scan the QR code or fill out the coupon below and mail it in with your check or credit card information.

Episcopal Relief & Development partners with faith and community organizations to advance lasting change in communities affected by injustice, poverty, disaster and climate change. Inspired by our faith, we focus on four interconnected priorities: nurturing the potential of caregivers and young children, reducing violence against women and girls, strengthening communities' resilience to climate change and facilitating humanitarian response to disasters

**"COME TO ME, ALL YOU THAT ARE WEARY
AND ARE CARRYING HEAVY BURDENS,
AND I WILL GIVE YOU REST."**
